## BASTILLE

T-BAW-SA-0003-K

Incarcerated in style, the Bastille chair is wrapped around the outside in brass studded Pixel leather which conveys a strong, protective look. The interior seat and rounded back are smooth, soft and luxuriously inviting in Safari leather, carefully sanded by hand to achieve a suede-like effect that is incredibly tactile. The natural marks and characteristics of the hide are brought to the surface of the leather for a very natural, distressed look that will continue to age over time for a well-loved lived-in look. Brass feet complete the ensemble.
